Instantly I transform into the form of a dakini with a lion's head. Radiation and collection of the mantra from the heart [of the deity] destroys all without exception [manifestations] that cause harm.

## Praise!

By the blessing of the great truth of the guru-teachers, the root and lineage, the devata meditation deities, the angry dakini who subdues the Mara demons, are destroyed all disharmonious [conditions], great destruction and damage, such as curses, scandals, witchcraft, etc.!

On enemies that do terrible things - Bhyo! On the hindrances that do harm - Bhyo! On top of the mara demons, enemies and black sorcerers - Bhyo! Let them be deployed, discarded without a trace!

ତେବେଷ

Say so and clap your palms.
